# SRPMIC COVID-19 INFORMATION
Face Coverings/Masks

The State of Arizona and Maricopa County officials are seeing an increase in COVID-19 positive cases with more people out and businesses opening. Officials are recommending wearing face coverings or masks as part of an overall preventative measure to stop the spread of COVID-19.

Cloth face coverings are an additional step to help slow the spread of COVID-19 when combined with every day preventive actions and social distancing in public settings.

Use the Face Covering to Protect Others

- Wear a face covering to help protect others in case you're infected but don't have symptoms;
- Keep the covering on your face the entire time you're in public;
- **Don't** put the covering around your neck or up on your forehead;
- **Don't** touch the face covering, and, if you do, wash your hands.

Wear your Face Covering Correctly

- Wash your hands before putting on your face covering;
- Put it over your nose and mouth and secure it under your chin;
- Try to fit it snugly against the sides of your face;
- Make sure you can breathe easily.

Take Off Your Cloth Face Covering Carefully, When You're Home

- Untie the strings behind your head or stretch the ear loops;
- Handle only by the ear loops or ties;
- Fold outside corners together;
- Place covering in the washing machine;
- Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing.

Regardless of age or risk, all persons in the Salt River Indian Community should take proper precautions to keep themselves, those they love, and our Community safe.
